Nelle botteghe medievali l'apprendista che voleva entrare in una delle Corporazioni delle Arti e Mestieri doveva presentare il "Capod'opera" per dimostrare, attraverso un lavoro particolarmente curato e preciso, di avere acquisito un notevole patrimonio di capacità, di conoscenze e di credibilità. Con lo stesso spirito Capod'opera si mette alla prova ogni giorno con realizzazioni dal livello qualitativo altissimo, che sorpremono per estetica e funzionalità. Materiali originali e finiture sofisticate sono strumenti al servizio dell'esperienza e della sensibilità di Capod'opera e si declinano in mobili e complementi che caratterizzano la Casa. Ora, con Life, Capod'opera mette la sua firma su un altro ambiente, il Bagno, interpretandolo con tre collezioni originali, sinonimi del "gusto Capod'opera".

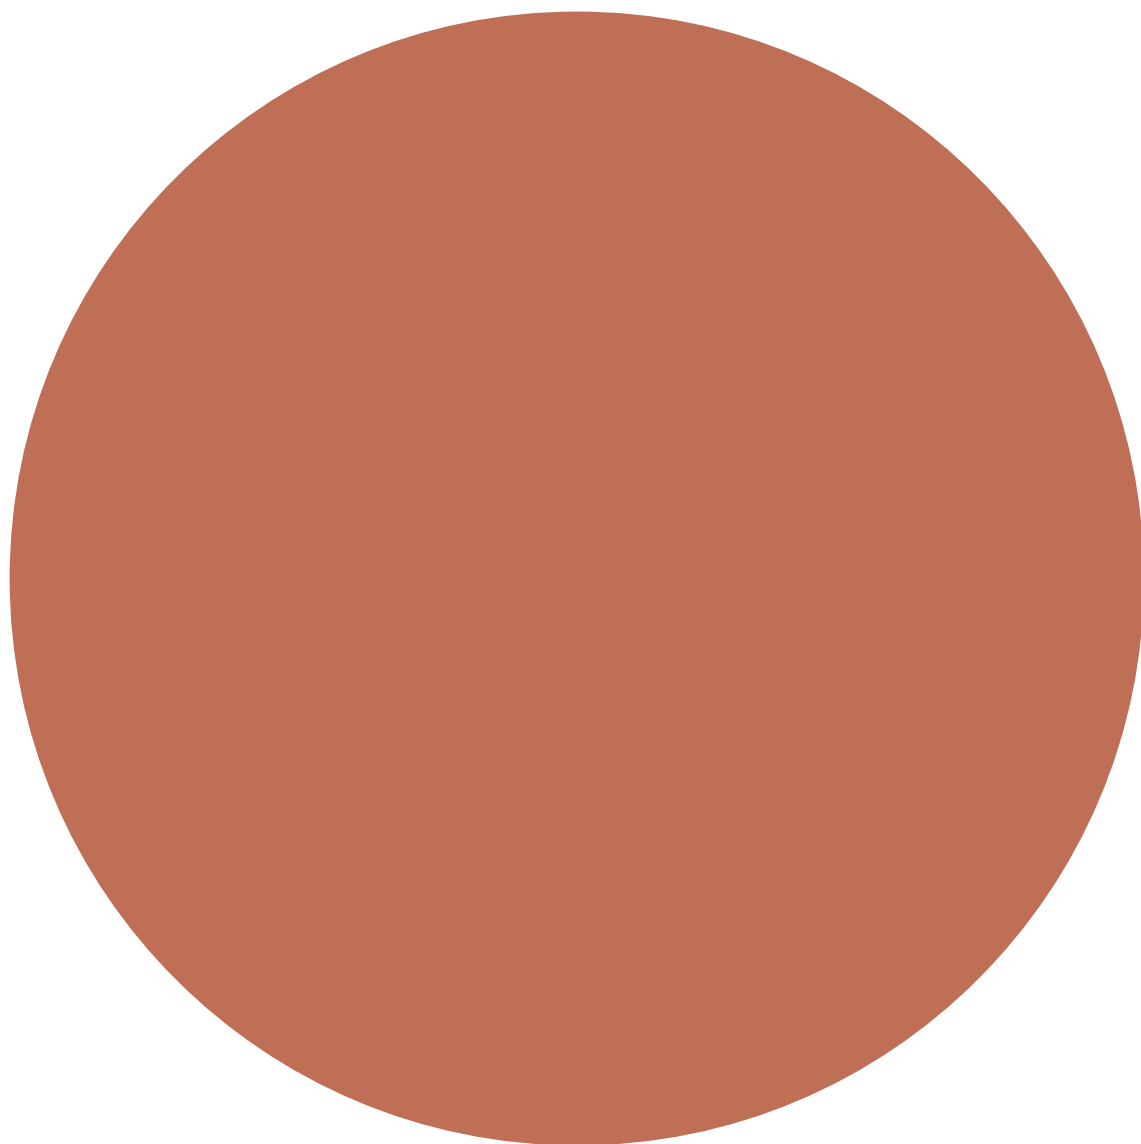

In the workshops of the middle ages, any apprentice wanting to join one of the Corporations of the Arts and Crafts had to present a "Capod'opera" to prove, through particularly accurate and precise work, that he had acquired a remarkable patrimony of abilities, knowledge and credibility. It is in this same spirit that Capod'opera puts itself to the test every day, aiming for the highest standards of quality and results, which embody extraordinary aesthetics and functionality. Original materials and sophisticated finishes are tools in the hands of Capod'opera's experience and sensibility, resulting in furniture and accessories that add a characteristic touch to any home. With Life, Capod'opera leaves its mark on another space - the bathroom -, which is interpreted through three original collections in that unique "Capod'opera style".

La collezione, coerente con un nome che ne sottintende la capacità seduttiva, colpisce per la cura dei dettagli, per gli abbinamenti di materiali, per la versatilità che esprime nonostante si tratti di monoblocchi. Le basi lavabo sospese Dongiovanni sono interpretabili a piacere scegliendo tra innumerevoli materiali, finiture e textures della proposta Capod'opera.

Despite being made up of single blocks, this collection is coherent with a name that implies seduction, and is striking in its attention to detail, combinations of materials, and versatility.

Dongiovanni's hanging washbasin units can be interpreted at will by choosing from Capod'opera's countless materials, finishes and textures.
